Buy a “Go Grizzlies” Brick in Support of Rocky Mountain Baseball

Have you ever wished that your family name could go down in history? Or that you could immortalize a loved one? Or perhaps even reward a successful student-athlete with something special? Well you can, through Rocky Mountain Baseball’s “Go Grizzlies” brick campaign.

The Rocky Mountain High School Baseball Association is seeking financial support associated with the high start up costs in building a first class baseball program. 100% of the funding collected from the “Go Grizzlies” brick campaign will go directly for much needed equipment such as batting cages, concessions, bathrooms and equipment for the various athletic programs.

The brick fixture will be built in the shape of a baseball diamond and will be seen as fans enter the stadium. In addition to the brick baseball diamond, brick columns will prominently display “Welcome to Rocky Mountain High School” as fans walk toward the field.

Personalized bricks make a unique gift to immortalize not only your student-athlete, family member or business but to commemorate your support to the Rocky Mountain Baseball Program for this worthwhile project.

In addition to the brick to be installed, why not purchase a replica for your home or office?
